

Ricky Nelson Lonesome Town = Rewritten Lyrics

**There was a place where DECcies went
To work their troubles away
And they call it MAYNARD Town
And we are here today.
[Chorus: Maynard town]**

**You could build a VAX or two,
To last you all through the years
And the only price you pay
Is a heart full of tears
[Chorus: Full of tears]**

**Goin' down to Maynard town,
Where are all the broken boards went,
Goin' down to Maynard town
for an evening with DECcies well spent.**

**In the town of broken dreams,
The streets are filled with regret,
Maybe down in Maynard town,
I can learn to forget.
[Chorus: To forget]**

**Maybe down in Maynard town,
I can learn to forget,
[Chorus: Maynard town]**
