

PRESIDENT'S COMMENT

The surveys continue to trickle in, 1997 dues are arriving, and Ken Olsen has agreed to be the guest speaker at Chapter 1776's May meeting. Tip of the hat to Marilyn Goodrich for that last bit of interesting news.

24 members attended the General Membership meeting in Chelmsford. Another GMM is scheduled for 7:00 p.m., Thursday, March 13, at the Aldersgate Methodist Church in Chelmsford. The guest speaker is Lillian Lund-Files known locally as "the Bluebird lady." Her one hour program is called "Bring back the Bluebirds." I've heard her speak before and think that you will all find her interesting and the program informative. You may even wish to join her campaign, come and find out. Brochures will be available at the Feb. Chapter 1776 meeting.

I recently became one of the million to respond to JUNO's "E-mail was meant to be free" slogan. So far the DRA e-mail address list includes 23 members. If you haven't heard from me it is because I don't know your e-mail address. So, please send me a message.

If your label says LAST NEWSLETTER it is because we think you haven't paid dues since 95. **Please correct me if I'm wrong** (simple phone call ☎, I don't need a canceled check just your word) or send a check payable to DRA in the amount of \$20 (\$10 for 96 and \$10 for 97) to remain a paid up member.

If your label says 12/96, you should consider sending a check for \$10 before March 15, 1997.

The GMM in May will include an election of DRA board members. Please read the BOARD OF DIRECTORS article on page 3 for more details.

Please let me know of anything that DRA should be concerned about.

GMM REPORT

A general membership meeting was held on December 10 in Chelmsford. Attendance was 26, with two visitors who joined the DRA that night, two board members and one Chapter 1776 officer, Marge Morrissey, who took minutes and filed a detailed report of the evening. That report is available for your perusal and was used to prepare the synopsis that follows.

As of 12/10/97 there were 283 paid up DRA members including 32 new members who joined during 1996 as a result of work done by Chapter 1776. The chapter has 67 charter members and 42 others who have attended more than one meeting.

On 12/10/96 the DRA treasury had a working balance of \$4,331.50.

There were unanswered questions raised about pensions, specifically TFSO retiree pensions. (TFSO Concerns p3)

Al Rubio, president of Massachusetts Silver Haired Legislature spoke about problems created by the increasing number of seniors. (That's us ☺)

Al related the history of the SHL from its beginning in the early 70's when Frank Manning a retired labor organizer began an effort to make politicians aware of issues unique to seniors.

In 1980 Massachusetts became the third state to have a SHL. Early on problems arose about how the SHL should be populated, how long they should serve and what they would be allowed to do. From 1983-1991, the SHL was under the Board of Regents during which time 12 senior bills were addressed and they all failed to pass.

In 1991 the SHL was transferred back to the Elder Affairs. With no budget the group had to be satisfied to be informed with no input or ability to lobby for any issue. The last couple of years have seen the SHL begin to become a viable unit. They are looking forward to a National Congress of SHL's from >p2c1

CHAPTER 1776 NEWS

This group meets four times a year at the **Fairbank Senior Center** in Sudbury. DRA members who regularly attend are urged to join the chapter. Currently, there are no additional Chapter dues.

The next meeting is February 20 at 2:00 p.m. Sally Mauro, Digital Benefits Coordinator will be the guest speaker.

For everyone's edification, Beverley Robbins-Gordon will no longer be attending DRA meetings. We will miss Beverley. She always tried to answer our many questions and concerns as we walked the new paths of being unemployed with the uncertainty as to what was coming next from Digital. If you should see Beverley make sure you wish her well with her new responsibilities at Digital.

In accordance with the Chapter 1776 constitution, Vice Chairman, Marilyn Goodrich becomes Chairman effective May 1997. The 1776 officers are seeking nominations for a new Vice Chair. Bring your nominations to the February meeting or call Marge Morrissey, 1776 Secretary ☎. The election of the new Vice Chairman will take place at the May 22 meeting. This is an evening meeting, starting at 7:00 p.m. The ultimate life after Digital person, Ken Olsen, will be the guest speaker, the subject of which is at Ken's discretion.

Note: Because of the popularity of the speaker for the March evening meeting it is requested that you **RSVP before March 15**, so that adequate seating (or standing) can be arranged. RSVP to Marge Morrissey ☎ or by e-mail to jayhawkbob@juno.com. Tell Marge or Bob if you need a ride to attend. No promises but we will try to find someone who can be your chauffeur.

(continued from GMM Report p1c2)

22 states meeting in February. Hopefully, we will hear more in the media, and will definitely try to keep you informed.

As mentioned elsewhere there are two upcoming GMM meetings. Please plan on attending. Hopefully, you will find the speakers informative and entertaining and the business portion non-threatening, but important, as you help set the direction for DRA. These both will be evening meetings. We will try to arrange rides for those of you who don't drive after dark. Just let us know.

WORTH SENDING FOR

Nothing new to send for, but "Plane fares depend on whom, when you ask," is the headline of an article by Bruce Mohl on page B1 of *The Boston Globe*, Friday, 12/20/96. MassPIRG contacted 5 airlines and 10 travel agents for lowest-priced fares for travel on specific dates and times between Boston and Houston or Portland, OR. The ranges in the quotes for round-trip were:

	Sat. Stayover	no Stayover
Houston	\$380-\$552	\$370-\$1338
Portland	\$373-\$504	\$504-\$1323

"The bottom line is that you need to shop around because you can get different answers even if you ask the same question." *Jenise Shields MassPIRG*

Copies of the complete article which has a table of the actual responses may be requested by sending a SASE to DRA. Of course, those of you in New England can visit your local library to read the referenced *Globe*.

Thanks to Paul Devivo for the following.

For those of you who don't have an Internet Access Provider (ISP), and are wary of signing up for one, there is a wonderful alternative: **Free e-mail**.

A company called Juno has rolled out an advertising-supported, free to the users, e-mail system. Their trademark motto is: "E-mail was meant to be free." In 8 months they have over 1 million subscribers. It requires Windows 3.1 or Windows 95 computer and a modem with a speed of at least 9600 baud. There are local access dial-in lines in most of the large cities and towns in the DRA states. There are 16 for MA and 2 for NH - Manchester and Nashua.

To subscribe, have someone send an e-mail message on your behalf to signup@juno.com with your name and postal address. Or, call JUNO ☎

Bob will bring some copies (3 1/4") to the Chapter 1776 meeting.

BOARD OF DIRECTORS

As you have been informed in the past, currently there are just two active Board Members, Bob Moore and Norma Millette. We have a checking account with Fleet and any checks require two signatures. Our primary expenses are *DEC'ed Out* printing and mailings, Chapter 1776 postcard mailings, and occasional hall rental. I'm happy maintaining the membership roster, writing a newsletter when there is something to say and holding a general membership meeting when requested.

The DRA has a constitution and technically speaking we are probably not operating as we should. This is of great concern to the Chapter 1776 officers and they are anxious to have a full DRA board. To that end nominations for the DRA board are open and you are encouraged to send your nominations to DRA by USPS, e-mail, or bring to the February Chapter 1776 meeting, or the March GMM. The May GMM meeting will be held for the election of DRA Board members. As before, mail in votes will be accepted to accommodate those who can't attend the May meeting in person.

TSFO CONCERNS

We haven't said much about TSFO as most of us took the SERP package. We can schedule a meeting just to air your concerns and plan a course of action to get answers. Let's hear from you so we can start the data gathering. Remember, most of us are ignorant about the TSFO process. FYI - DRA has an attorney of record willing to ask the difficult questions if necessary.

MEMBERSHIP LIST

As promised the membership list has been divided into "active" and "inactive." Inactive (181) have not paid dues since 1995. Active (312) is anyone who paid dues for 1996, 1997, or 1998. Renewal of membership will always be open but the active list will be culled again on March 16, 1997 for those who have not paid 1997 dues.

The inactive list is retained in case we have a really hot item that we think needs broad distribution.

Thanks to those who responded last time to our request for help in fixing our database. We corrected 3 addresses. One in Las Vegas was corrected within 48 hours of mailing the newsletter. You guys are really good. Try some more. We need to correct some listings that cause USPS to return mail with several unhelpful reasons for non-delivery. Some of these people paid dues in 95-96. If you know them ask them to give us an update on their address.

Yes. I have tried NYNEX and AT&T long distance information.

CHAPTER 1776 MEETINGS

There are four meetings a year for Chapter 1776 members. All meetings are held at the Fairbank Center, Fairbank Rd, Sudbury. Two in the afternoon (2-4) and two in the evening (7-9). Guest speakers are chosen who represent the interests expressed by 1776 members to the Chapter officers.

PUBLISHER'S COMMENT

The editor job is still open. Nice if you have an "under the gun attitude" about getting things done. Using e-mail should simplify the task. But please, I could really use the help. Might even change my modus operandi. Stranger things have happened, the Patriots made it to the Super Bowl.

Submitting an item for *DEC'ed Out* is easiest with e-mail, but Mac or PC disks are still okay, or send fax Mon-Sat to Chelmsford Copy & Secretarial Center at 508 256-1869. (I haven't yet perfected sending and receiving faxes.)

So how about it? Submit your item of interest to share, especially you non-New Englanders. What's life like in Downs, Kansas, or Clover and Conway, South Carolina? Your fellow

DRA members would love to know.
