Reunion With Your Peers:

 The Board is considering potential DECconnection events for 2013. One of those would be a Reunion of your peers **defined and organized by you**. Determine the peer group you would like to invite (by geography, building, affinity group [e.g. sales, engineering, manufacturing], years, etc.) Also choose the activity (e.g., a luncheon, dinner, cookouts, ball games, golf, boat rides, travel, music festivals, etc.). The Board of The DEC Connection will provide help choosing a site, determine the cost, negotiate with vendors, provide a portion of the funding, help with setup if Maynard area, name tags, selling tickets on our website, promoting, etc. This could be a small or large group. Members, send us your proposal at: info@DECconnection.org and we will be in contact with you. Thanks to those who have already proposed events!

Joel Schwartz, now at EMC2 helped underwrite the Boston Harbor Cruise for our ENTOVATION Network guests – 23 from 16 countries. In preparation, we convened a Boston Innovation Tour for 52 CEOs from Northern Italy: <http://www.entovation.com/mailling/E100-En-Route-to-Boston-A-Global-Innovation-Landscape.htm> [scroll down for links including their video]. DECWorld was referenced, including the QE2. Made quite an impression! debra@entovation.com
