

## September 2012 DEC Connection News-at-a-Glance

### Events

A small group enjoyed the Digital\_Man/Digital\_World documentary in New Hampshire last week. If you missed it, you can purchase the DVD.

The PBS video of the documentary about Ken and the history of DEC, Digital\_Man/Digital\_World, is now available online (\$25+s/h) from the PBS store: <http://www.shoppbs.org/product/index.jsp?productId=13315614> It's a wonderful hour-long nostalgia trip. Enjoy!

- We still have not heard any further word about the next Enterprise Walk of Fame ceremony or whether Ken will be selected. Thank you to those who voted for him on their website.
- **SE Florida** - Private Yacht Cruise on the Intracoastal in Ft. Lauderdale, Sat., Nov 3, 2012 - this event is still ON, and we will announce how to participate within a couple of weeks. We are thinking of substituting hors d'oeuvres on the cruise for the restaurant dinner to keep the cost down. If you are interested in participating please email Ava at [webmaster@deconnection.org](mailto:webmaster@deconnection.org) to express interest and opinion.

### DEC Connection Membership News

- **Dick Helliwell** has been working as a Firmware Architect at DataDirect Networks, Inc. in Colorado Springs since his retirement from HP in 2007. [rph@stanfordalumni.org](mailto:rph@stanfordalumni.org)
- **Joe Nahill** sent in a good story about one of his trips with Ken - read it on the [DEC Stories](#) page.
- **Re: John Potucek's trivia question:** Who decided on the TLA (three-letter acronym) for a site? Mostly they are named for the location, occasionally for an honoree (e.g., Royce Fuller reports that HLO was named for Henry Lemair, who died of a heart attack at age 52 when he was the general manager of the semiconductor group and the Hudson plant was under construction). Rick Fricchione made a system change that increased the original 2-letter codes to 3, with the O at the end. We didn't hear back about what NIO specifically stood for, so please send info to [webmaster@deconnection.org](mailto:webmaster@deconnection.org) if you know anything about the Salem plant designations.

**HPAA Advice:** As a former DEC employee you are eligible to join **HP Connections, a LinkedIn Group** maintained by the HPAA (HP Alum Assn - open only to current/former HP employees). It is for events, networking, mutual help, job posts, and news. This "HP Connections" group lets you search and reach current and former HPer without a paid LinkedIn

membership. Here is the link to apply: <http://www.linkedin.com/groups?gid=84543>

**If you know someone who is leaving HP**, send them the link to the HPAA's "ASAP Checklist" immediately. It has advice and mutual help – developed by HPAA members – on the many things you have to do before you lose access to HP's internal systems. <http://www.hpalumni.org/asap> (HPAA membership not required.)

## Sad News Department

- With great sadness, we report that Ken and Aulikki's daughter, Ava Memmen, passed away on 20 Sept 2012 in Zionsville, Indiana. Ava was very instrumental, and a strong leader, in the project that became the Ken Olsen Science Center at Gordon College. Our sincere condolences go out to Jim and Batya Olsen, to Ava's husband Ed, and their entire family and friends. Services are 29 Sept in Indiana; [Details are on the Memorials page.](#)

## Website Updates:
