Announcements

We are so very sad to report the passing of **Win Hindle**, our beloved Chief Operating Officer for so many years, on September 1, 2015.

Marcia Russell sent in the following tribute:

I am saddened by the news that Win Hindle had passed this week. I am saddened to lose such a glorious, warm and affable leader. Win was always there for me when I needed guidance and a friend. He had the warmest smile and the most gracious demeanor.

Win Hindle

One could count on Win to "do the right thing" with the correct solutions. He was our corporate rudder and our main sail in the strongest of tempests in the best of times and in the most difficult of times.

Here stood quietly, a giant of a man whose warm smile and affable ways at once set Digital on its forward path with a corporate tone in concert with Ken Olsen that encompassed scaled understanding and cooperation that led an industry to understand that if people were our most important product then the right things followed in this course.

My condolences to his family and to all of us in our Digital family. Sail on dear friend and thank you for being a friend.

Marcia Russell
