DIGITAL COLLEAGUES:

I enjoyed participating in the DEC Connection Real Estate call last week and meeting all of you.

As promised, here are the two sites I referenced in our member concall last week. There is a wealth of information on the Federal Programs and national market data on the real estate market.

Feel free to contact me with any question you may have on real estate and related services. I am happy to assist you, your friends, and family members anywhere in the U.S.
