Hello,

First of all, I just want to apologize for my bad English (I am french)... 😊

I've just discovered your great website and I would like to show you some photos of George Doriot's stone bust.

My husband created it in 1987. This sculpture was offered to Mr. Ken Olsen for the 30th's Digital Equipment Company birthday.

Here are the photos : <http://www.sculpteur-petrus.com/oeuvre-creation13.htm>

Have a nice day 😊

Nathalie

Nathalie, Thank you for posting the link! I found the page very informative and interesting, and will be exploring the remainder of the site (and hopefully greatly improving my French language knowledge in the process).

Perhaps a copy of the page or site in the Gordon College Digital Kiosk?

I'm glad you like it. 😊

Of course, do not hesitate if you need to take a copy of the page. I've got some more photos of the sculpture, so let me know if you want some.

Do you know if it's possible to contact Mr Ken Olsen ? I would like to ask him some recent photos of this sculpture and some of 30th's Digital Equipment Company birthday. My husband is writing a book about his 50 years of sculpture and this would help us a lot.

I've tried to contact Mr Moore but I'm afraid he has not received my email.

All the best,

Nathalie
