 **Karen's Climb Foundation**
« on: September 07, 2008, 03:25:33 PM »

   

Hello,

My name is Joanne Pricer, and Ava suggested I post information regarding fund raising activities I'm involved.

Karen's Climb is an organization that helps families financially who are dealing with cystic fibrosis. This illness is terminal, and the costs of medicines to sustain life are so high. I volunteered for 3 yrs and have been on the Board of Directors now for over a year. If you'd like more information on Karen's Climb Foundation, the website is www.karensclimb.com

My personal involvement: About 6 yrs ago my two nieces (sisters) found out they had CF.. the learning and financial journey are extremely difficult.

How can you help??

1. **Chunky's Movie Theatre.**

Need a night out with family/friends, or maybe just some time alone? Karen's Climb has a fun solution; we have partnered with Chunky's: www.chunkys.com

The cost of the tickets is \$7, the SAME price you would pay for the evening shows. More details:

- * Tickets are good for any show Monday through Thursday
- * Locations: Nashua and Pelham NH, or Haverhill MA
- * Tickets are valid through August 27, 2009
- * 50% of the proceeds goes to Karen's Climb!

Why is Chunky's so unique? They offer a very unique atmosphere, you can get a full meal, and sit back and relax in comfortable limosine cjhair.. visit their website for details.

Ticket ideas: great birthday or holiday gifts, stocking stuffers, incentives for managers to give to employees, group outings, birthday parties, holiday/school vacations.

The best part is you spend the same amount of money that you would normally for an evening show BUT you also help out families through Karen's Climb!

2) **Simon Evening of Giving**

On Sunday November 23rd the Simon Malls are hosting an exclusive AFTER HOURS shopping night for charities.

Over 96% of the Pheasant Lane Mall retailers participated last year in offering "one night only" discounts.

100% of the ticket revenue goes to charity! The cost of a ticket is \$10 of which \$7 goes to Karen's Climb and the other \$3 goes to the Simon Youth program.

Participating malls (The event start time varies 6-7pm, depending upon the mall):

Pheasant Lane, Nashua, NH	Cape Cod, Hyannis, MA
The Mall of NH, Manchester, NH	Northshore Mall, Peabody, MA
Rockingham Park, Salem, NH	Solomon Pond, Marlborough, MA
