Loaves and Fishes, a food pantry located at Devens, is looking for volunteers. There are several DECies there already. There is a need for Monday night (7-8) stocking shelves - supervised by me. Also, on Wednesday and Friday mornings, there is a need for volunteers to help clients go through the pantry.

I'll jump in, Bob. Been "walking the floor" as a "Peer Visitor" on the "Stroke" floor (6th floor) of Spaulding Rehabilitation Hospital on Nashua Street, Boston. Role is to meet with Stroke Patients and their families to discuss their situations and provide insight into the life of a Stroke victim.

Also, for the last 18 months, I've had a great time providing Sunday morning coffee and donuts to a group of about 25 nursing home residents (we call ourselves the Sunday "Brunch bunch") in Ayer.
