The Entrepreneur Walk of Fame, located in Kendall Square, Cambridge MA, was unveiled in September 2011. It is the centerpiece of the Stars of Invention Program, co-sponsored by MIT, the City of Cambridge, and a Board of technology and business leaders. The initial 7 honorees included Bill Gates, Bill Hewlett and David Packard, Bob Swanson (Genentech), Mitch Kapor (Lotus), Steve Jobs, and Thomas Edison. We all know that Ken belongs in this group! You can read the qualifications online. But we need YOU to vote, and ask your friends and family to as well, because the selection this year will be done on the basis of popularity - number of votes for suggested candidates who are considered qualified by the committee.

If Ken is written in by enough people we will ask for a big turn-out at the actual event honoring the winners, which will be scheduled some time this Fall (last year's was mid-September). The DEC Connection will hold an event in conjunction with Ken being named to the Entrepreneur Walk of Fame.

- Hello DECconnection from **John Reid** DEC 5/72 to 3/96 (P/Ls, Sales) and Elaine Reid DEC 6/73 to 8/97 (Finance). We moved from Townsend MA in April of 1998 to Saint Augustine Florida where we built our current home on our property on North Island across the harbor from the city of Saint Augustine which was founded 450 years ago by the Spanish. We have been enjoying the laid back island life

since our return. I play golf once a week and scuba dive in South Florida every other Thursday. Come on down and visit our island -- you may never want to leave! jiremb@att.net

- From **Dennis Schneider**: Kerry and I still live in Nashua, NH. Kerry spends half her time as a professional actress. Our son Brian is an attorney in Washington, DC – with two daughters. Our daughter Lauren lives in Newton – one daughter. I made the move to healthcare 6 years ago. I'm now VP, Marketing, Pharmacy Drug Delivery at Baxter Healthcare. Still doing stage lighting as a hobby. Almost 19 years post-Digital. Dennis_Schneider@onpoint.mv.com
- From **Ellie Dubie**: I worked at DEC from 1976 until 1994; and after taking a few months off I started temporary work at Fidelity Investments. My temporary position grew into a permanent position within a year at the World Trade Center in Boston. My position there was as an Electronic Publishing Specialist -- in 1997 I was promoted and moved to Merrimack, NH as a Senior Electronic Publishing Specialist. At Fidelity, my position included many things -- from typesetting, to graphic design, etc., on Annual and Semiannual reports and prospectus' reports. I interfaced each day with business partners who were legal specialists and accounting managers, which was a great life experience that I enjoyed very much. By spring of 2011, I decided to retire as my commute of an hour to work and an hour home was taking a toll on me. My retirement was in June of 2011.

- I would like to report that my husband, **Jozsef "Joe" Bukkhegyi** passed away on June 4th. Joe started at the Mill in 1969 as supervisor of the board shop. He was proud of his badge number of 8152. He held many different positions at the Mill over the years. He also traveled to Puerto Rico during the height of the activity there. He always enjoyed running into other DEC people and regarded his years at DEC as the happiest of his life. Beverly Bukkhegyi
