Friends, family, and members of DECedOut proudly display the Digital banner in front of Stow Acres

On September 27, about 150 former Digital employees, their friends and family, gathered at the Stow Acres Country Club to celebrate the 50th anniversary of the founding of Digital Equipment Corporation. This day-long event included a golf tournament in which four teams competed. Click on www.decedout.org/50thAnniv-Stow.htm to see the story and pictures from the event.

established a separate New Hampshire Chapter.

The new chapter plans to offer professional seminars to members of DECedOut such as "Career Development for the Over-50 Set" and "Social Networking as a Business Development Tool."

o **Report on the Constitution Voting**

On September 19, votes were compiled for the new DECedOut Constitution. The Constitution was modified to better describe the purposes of DECedOut; however, the name of the organization is not included because we are considering changing the name (see below).

129 members voted Yes, indicating overwhelming support of the revised constitution. On the other hand, four members voted against the changes, and their concerns were addressed personally by the Board of Directors.

The acceptance of the new constitution is an important step in the growth of our organization. It is available online on our Charter page: www.decedout.org/charter.htm

o **Announcing the Oct. 25 Event at the Sudbury Senior Center**

Dan Tymann will speak to us about progress on the Ken Olsen Science Center at Gordon College, and show us the video from the Tribute to Ken Olsen in June 2006.
